* PIB is shown in local currency. Double PIB is shown in USD.

Open to all Associates, regardless of rank. This promotion is available in Australia and New Zealand only and ends 24 August, 2014. New Associates must join with Autoship and order a qualifying pak at the time of initial enrolment. Associates must be enrolled in the same commission week to count.

Once you reach your second new Associate in a week who signs up on Autoship and purchases a qualifying pak, all new Associates that same commission week will count towards the double PIB (including the first two new Associates during that commission week). If a new Associate purchases more than one qualifying pak, the double PIB will only count on one pak. Limit one double PIB per new Associate enrolled.

† A weekly Compensation Period begins at midnight Monday 12:00am (New York Eastern Time) and runs through the following Sunday at 11:59pm.
