

STAY & YOUNG Look Your Best

Want to put the brakes on ageing, while creating the body of your dreams?

Dr. Michael Colgan world-renowned scientist in ageing and nutrition will walk your guests through the unique benefits of Isagenix® products and why Isagenix is for you! Dr. Colgan is a scientific expert in the field of exercise, athletic performance, and dietary supplements as intervention therapies in the ageing process. His comprehensive knowledge of health makes him the best person to take your guests through the advantages of joining Isagenix.

Attend this meeting if you're looking to:

- Turn heads with the shape and contour of your body
- Increase your health and wellness
- Look and feel younger
- Boost your physical performance
- Live a healthier life, longer

Dr. Colgan has served as a consultant to the U.S. National Institute on Ageing and is widely recognised for several best-selling books on health and nutrition and author of numerous research papers. Dr. Colgan has provided nutrition, training and anti-ageing programs to more than 11,000 athletes, including many Olympians. He even consulted Sylvester Stallone when filming the Rocky and Rambo series!
