## FAQs

### What is my 'Active Rank'?

The Active Rank is an Associate's lowest Paid-As rank on any given day in a commission week. For example, if an Associate's achieved rank is Manager at the beginning of the week but they are unable to maintain the rank for all 7 days or, are Paid-As Consultant for any 24-hour period during that week, their Active Rank for the commission week would be Consultant.

### Will I receive the bonus for my existing personally enrolled team?

Yes. The promotion is eligible for new and existing Associates and Consultants who rank advance to Manager during the competition time frame. Just remember that you need to be an Active Manager to earn the bonus in the same week your Consultant rank advances to Manager.

### Do all my enrolments count?

Beyond the other requirements, all enrolments must be 'quality enrolments' within the meaning of the Isagenix Policies. Each new Customer or Associate MUST:

- be 18 years or over
- be a citizen or tax-paying resident
- have paid the Isagenix membership fee with their personal card or account on the Official Isagenix Website

### Do international rank advancements count?

No. Development Bonuses are only earned when Australian or New Zealand members rank advance to Manager. Development Bonuses will not be awarded for rank advancements of members outside Australia or New Zealand.
