CYCLE TO SUCCESS

Example:

Joe is currently a Manager and advances to the new Recognition Rank of Director on Thursday. The following Monday Joe is now eligible for a 12-week period to double his cycles. Each week during the 12 weeks that he maintains the Active Rank of Director, Isagenix will double his cycles. Since Active Rank is calculated daily, Joe needs to maintain Director every day of the week. Joe qualifies for double cycles in weeks 1, 4 and 6 before the promotion expires at the end of 12 weeks.

each day. In addition, you will be able to keep track of your 12-week window by viewing the **Cycle to Success Report** to check if you met your Active Rank requirements.

How can I maximise my cycles?

Your cycles will accumulate as normal. Every time you accumulate a total of at least 600 BV on one side and 300 BV on the other side, you earn one Cycle, which equates to about US\$54. The real power comes from building a team of Associates selling Isagenix products. Your goal should be to identify, train, and support others in sharing the products with as many Customers as possible. Remember, new enrolments must be a new Preferred Customer or Associate to Isagenix, 18 years or over, a citizen or tax-paying resident of their home market and pay for their own membership fee and products on the Isagenix website. Where an enroller pays for the new customer products, any associated BV will not be taken into consideration for the promotion and the enroller may be disqualified.
