

HIGH-5 CLUB

Achieve consistent enrolments each month and be rewarded!

When it comes to building an Isagenix business, it's often easier to devote time to *learning* than *implementing* business-building activities like connecting, reconnecting and following up.

Consistency on implementing these fundamentals and keeping things simple are key to your success.

The **High-5 Club** recognises and celebrates consistency in personal enrolments. Become a member of this exclusive club by enrolling five or more new members each month.
